All warranties are applied from the date of purchase.

RESIDENTIAL WARRANTY:

- Applicable products will be free from manufacturing defects for as long as you own your home. Manufacturing defects are improper milling, laminating, grading or assembling only.

FINISH WARRANTY:

- We warrant that under normal residential conditions and with proper maintenance, our finish will not wear through within the given period. Gloss reduction is not considered wear through. Therefore it is not covered under the finish warranty. Finish wear through is defined as 100% of finished removal over at least 3% of the total flooring installation.

REFINISHING WARRANTY:

- Our prefinished engineered products can be sanded and refinished one time when performed correctly by a professional floor refinisher. Please note: Sanding will alter hand-scraped or distressed appearance. Color will remain on the edges of beveled-edge products.

RADIANT HEAT WARRANTY:

- In-floor radiant heating systems can significantly alter product performance. Only engineered type construction Oak, American Cherry and Walnut can be used over these heating systems. If any other product is used, all warranties are voided.

REGARDING ALL WARRANTY COVERAGES:

- It is critical that all installations are done in compliance with the procedures outlined in installation instructions. Failure to install in accordance with the instructions will void all warranties. Our sole obligation and liability, under our stated warranties, is to repair, replace or refinish the floor, in part or in whole, at no cost to the original purchaser OR to issue a refund of the purchase price, is our sole discretion.
- Only Floors that were professionally installed will be eligible for labor cost reimbursement. If you installed the floor yourself we will cover the cost of replacement materials only.
- **No warranty coverage is provided for flooring that contains obvious defects of any kind that were installed nonetheless.** If before installation you discover any flooring that has obvious defects please contact us immediately and replacement flooring will be provided at no cost.
